# What does it sound like?

– Aula Internacional, 1.

Where is Spanish spoken?

– Nos vemos.

La Panamericana es una ruta fascinante por el continente americano de casi cincuenta mil kilómetros de largo, que une casi todos los países del continente. De norte a sur, desde Alaska hasta Argentina, esta ruta pasa por 17 países, cuatro zonas climáticas, sistemas ecológicos muy diversos (desde selvas a glaciares) y culturas muy diferentes con sus lenguas, su música, su gastronomía y sus paisajes impresionantes. En cada unidad de **Nos vemos hoy** conoceremos una etapa de esta ruta.

What have we learned today?

THAT EVEN THOUGH IS A NEW LANGUAGE, WE CAN USE OTHER KNOWLEDGE THAT WE ALREADY HAVE TO SUPPORT OUR LEARNING.

WE CAN INFER, FROM THE TEXT, FROM THE SITUATION, BY COMPARING.

USE A DICTIONARY, NOT GOOGLE TRANSLATE, IT'S NOT VERY HELPFUL.

WRITE.
