

# INTRODUCTION OF THE VIDEO TASK

SPAN 1000  
MARCH 2021

# Procedures

- Create a video of no more than 2 minutes based on a text of approximately 200 words. Be creative using covered lessons and materials contents!
- Show clearly your face while talking in the recording.
- Record your video in a simple format. Music, stickers, subtitles, etc. aren't necessary.
- You cannot do off camera voice-overs nor dubbing.
- You cannot read your whole script in the video, but you can have some written notes as memory aids.

- Start the video saying your full name. Assignments with no full names will not be corrected!
- Please submit your video through Blackboard including your name, family name and your student IDs in the file. Make sure you have the right file and the video is working.
- Do not submit the video at the very last minute. There may be technical problems.
- It may also take some time to process your video on Blackboard. So do not panic! In case you are close to the deadline and your video is still being processed on Blackboard, take a snapshot of your submission showing the time. Alternatively, you can submit a link of a drive for sharing your video in the submission point.

- Please check well you submitted your assignment before the deadline. The Review Submission History page appears with information about your submitted assignment and a success message with a confirmation number. Copy and save this number as proof of your submission.
- **Deadline: Saturday 13<sup>th</sup> November 11.59 pm (before midnight)**. Videos submitted after the deadline and through a different platform than Blackboard **WILL NOT** be corrected!
