

Instructions for completing the New Asia College Campus Tour by UReply GO

Introduction

This is a campus tour of New Asia College designed by UReply GO (<https://www.web.ureply.mobi/explore>). Students could complete the trip by using a mobile device (with GPS) and get access to the information of the landmarks in New Asia College campus while walking around the NA campus.

To Get Access

1. To have a better experience, it is advised to download “Firefox” for accessing the online trip. By using your mobile device, please go to the link <http://www.ureply.mobi> and enter the session number “G982”. Please enter your “Student ID” and “Student Name” (**please enter your full name in English, same as CUSIS**), for record purpose.
